

# Christian Values and Character Development

## GENEROSITY

*Acts 20:35: Remember the words of the Lord Jesus, how he himself said, it is more blessed to give than to receive.*

*2 Corinthians 9.7: God loves a cheerful giver*

**Spiritual** Jesus lived a life devoted to serving God and others, sometimes at great cost to himself. He taught that if our money and possessions are held too tightly and used only for ourselves, they will prevent us knowing God's blessing. We teach that happiness does not necessarily increase with the number of material possessions that we acquire.

**Moral** Following the example of Jesus, together we explore the Christian understanding that all that we have comes from God as 'gift'. These gifts, whether they be money, possessions, time or abilities, are given in trust, that they will be used for the benefit of all in our school and in the wider community.

**Social** As a community, we seek to create relationships characterised by a generosity of spirit, believing that, given a nurturing environment, each individual can flourish, achieve their full potential and contribute positively to society.

**Cultural** As a Church in Wales school we seek to explore the lives of individuals such as Lord Shaftsbury and George Muller who exemplified a joy in giving and who shaped the politics, culture and values of modern Britain.

## TRUTHFULNESS

*James 3. 17: The wisdom that comes from heaven is first of all pure; then peace-loving, considerate, submissive, full of mercy and good fruit, impartial and sincere.*

*Ephesians 4. 15: Speaking the truth in love, we will grow to become in every respect the mature body of him who is the Head that is, Christ.*

**Spiritual** The apostle Paul urges the followers of Christ to speak the truth in love in order that they might become a more authentic expression of Christ's body on earth. We always try to combine truthfulness with kindness so that we encourage each other and build one another up.

**Moral** As members of a community seeking to live out our Christian values, we believe that *knowing* the difference between right and wrong will be of only partial use if we do not have the courage to *speak* the truth and *do* what is right.

**Social** Fundamental to the relationships is an expectation of truthfulness. We explore with the children the consequences of lying or lack of integrity, not only in our school community, but in the wider world as well as in the political arena.

**Cultural** As a Church in Wales school we understand that a person's understanding of the truth and truthfulness will sometimes be influenced by their religious and cultural experiences. We promote curiosity and respect as we learn about the diversity of beliefs and social backgrounds that make up modern Britain's society.

## COURAGE

*Deuteronomy 31. 6: Be strong and courageous. Do not be afraid; do not be discouraged for the Lord your God will be with you wherever you go.*

*2 Timothy 1. 7: For the Spirit God gave us does not make us timid but gives us power, love and self-discipline.*

**Spiritual** Jesus lived in the assurance that his Father God would provide all that he needed. This gave him the courage to face even the cross. At our school, the words from the book to Timothy (see above) guide the way we approach any challenges that face us.

**Moral** Learning from Jesus, we recognise that taking a moral stand or tackling a challenge will require courage but we also know that we can pray for God's strength and his help.

**Social** As a community, we explore the Christian belief that almost anything is possible because God is *for* us. We therefore encourage one another to reach our God-given potential and participate in artistic, sporting and cultural activities that take us outside of our comfort zone.

**Cultural** As a Church in Wales school we take inspiration from those who have been uncompromising in standing for justice and have been true to their Christian faith in the face of persecution. We celebrate individuals such as William Wilberforce and Elizabeth Fry who through courage and perseverance have influenced the political and social life of Britain, and those such as Martin Luther King, Mahatma Gandhi and Nelson Mandela who have also powerfully informed our values and culture.

## PERSEVERANCE

*Hebrews 12.1: Let us run with perseverance the race marked out for us that is before us.*

*Deuteronomy 13.6: The Lord your God goes with you; he will never leave you or forsake you.*

**Spiritual** Despite opposition and adversity, Jesus did not compromise or lose heart in his determination to accomplish his mission. We recognise that sometimes we will face difficulties and personal challenges in life but we know that we can pray for God's help because he has promised never to leave us.

**Moral** As the life of Jesus exemplifies, standing for justice and doing what we believe to be right, may not always result in change immediately. Sometimes we may feel discouraged. At our school, we teach that perseverance and endurance are important qualities in developing character.

**Social** As a community, we value and celebrate perseverance, encouraging one another consistently to take one step at a time to achieve our goals. We offer a wide range of opportunities for children to volunteer in social enterprises and to work with others from a range of ages and backgrounds to foster co-operation and collaboration in problem solving.

**Cultural** We aim to foster a culture that recognises that 'quick wins' are not always possible and are often not sustainable. We believe that the principle of 'training well' is usually more fruitful in building character than 'trying harder'. We actively seek out contemporary as well as historical role models who have achieved their goals through persevering, even in the toughest of circumstances.

## COMPASSION

2 Colossians 3.12: *Clothe yourselves with compassion, kindness, humility, gentleness and patience.*

Luke 10.25-37: *(The story of the Good Samaritan)* Matthew

7.12: *Treat others as you want them to treat you.*

**Spiritual** Jesus' works of healing were always rooted in his compassion for others. In the story he told which is known as the Good Samaritan, the compassion shown is directed toward someone totally unexpected. Jesus was making the point that we are called to care for those outside our own cultural or social circle as well as our friends and family.

The literal meaning of the word 'compassion' suggests suffering with or alongside someone else. In developing character, we encourage an attitude of empathy and understanding of others, trying to imagine what it is like to stand in the shoes of another.

**Moral** We try to explore what it means to live out Jesus' teaching, exemplified in the command to do to others as you would have them do to you. (Matthew 7. 12) This is sometimes known as The Golden Rule and underpins all our relationships and our Behaviour Policy

**Social** As a community, we try to share one another's burdens and to help everyone to know that struggling and failure are not signs of weakness but opportunities to learn more about ourselves and others, and to grow as an interdependent family.

We actively look out for opportunities to support charities and good causes that improve the quality of life for people in our own country and the wider world.

**Cultural** We recognise that our nation has, throughout its history, offered a safe place for those fleeing persecution and disaster. We celebrate the rich diversity that this has brought to our culture and seek to play our part in offering a welcome to all those joining our school community especially anyone in any kind of need.

## TRUST

John 14. 1: *Do not let your hearts be troubled. Trust in God, trust also in me.*

1 Corinthians 13. 6-7: *Love does not delight in evil, but rejoices in the truth, it always protects, always trusts, always hopes, always perseveres.*

**Spiritual** Jesus demonstrated his trust in God throughout his life. He also entrusted his ongoing work in the world to his special friends --- the disciples, and ultimately to us. We explore together the Christian understanding of being the Body of Christ on earth.

**Moral** We try to follow the example of Jesus and trust each person in our school will live by our core Christian values including truthfulness, respect and justice. We encourage children to reflect on *why* trust is so crucial in our relationships and what the consequences might be when it is broken.

Our experience in school has been that this trust is rarely betrayed but we know that when it breaks down, forgiveness is needed and the capacity to offer a new start.

**Social** As a community, trust is the glue that holds our relationships together. To develop character we give each individual important responsibilities (with appropriate support) and, in so doing, seek to encourage trustworthiness from the youngest age.

**Cultural** We recognise that in the wider culture of our nation, citizens are trusted to live by the laws of our country. We trust that our leaders (children and grown-ups), in school and in the wider nation, will have the highest moral and ethical standards and will lead with integrity. We teach the skills required to respectfully hold to account those in authority.

## FRIENDSHIP

*John 15.15: 'I no longer call you servants', said Jesus..... 'Instead I have called you friends.'*

**Spiritual** Jesus called his disciples friends. He trusted them, encouraged them and ultimately gave his life for them. Jesus extends the hand of friendship to everyone. We explore together, what friendship with Jesus means for Christians.

**Moral** Jesus' example of self-sacrificial love and commitment to his friends is one that inspires us to place the needs of others above our own and make our friendships faithful and resilient.

**Social** Jesus' friends came from a wide range of backgrounds and included fishermen, scholars and tax collectors. We encourage an attitude of inclusivity and openness to others, regardless of religious, ethnic or socio-economic background.

**Cultural** The culture in our school is democratic, diverse and inclusive. However, we know that if our children are to be fully equipped for life in modern Britain, we need to be pro-active in forming links and building relationships with schools in a wide range of social, cultural and religious settings.

## JUSTICE

*Matthew 21.12-13: ...my Temple will be called a house of prayer. But you have turned it into a hideout for thieves. (Jesus turning the tables in the temple)*

*Micah 6. 9: What does the Lord require of you? To do justice, love mercy and to walk humbly with your God.*

*Matthew 5. 13-14: 'You are the salt of the earth..... You are the light of the world.'*

**Spiritual** Jesus was passionate and uncompromising in standing against the injustices that he saw in his society. The heart of his message was the proclamation of the 'The Kingdom of God' i.e. God's rule on earth as it is in heaven. The Kingdom is glimpsed when justice and mercy are being lived out. We try our best to model these Kingdom values in our school.

**Moral** Following Jesus' example, we believe that we are called to speak up for the truth and out against injustice. We therefore equip children with the skills required to be reflective, become informed and be able to make just judgements for themselves based on facts and evidence.

**Social** As a community, we are constantly seeking ways to make our school an even more inclusive, democratic community in which everyone has a voice. We also foster an engagement with our national system of democracy, learning how it operates and how decisions that affect all our lives are made.

**Cultural** As a Church in Wales school, we believe that justice must be seen to be transparent and unbiased. Children as well as adults therefore contribute to policy making on Behaviour and Anti-bullying. We learn about the values that have informed our nation's justice system and the way this system functions to maintain law and order and keep us safe.

## THANKFULNESS

Luke 22.19: *Jesus broke bread and gave thanks.*

1 Chronicles 29.12: *All things come from you and of your own do we give you.*

**Spiritual** The Gospels record that Jesus gave thanks as he broke bread with his disciples in the upper room at the Last Supper. Throughout his whole life Jesus' attitude was one of trust in God and thanksgiving for His provision: *Consider the lilies of the field, how they grow: they neither toil nor spin. (Matthew 6.28)*

**Moral** Following Jesus example, we believe that an attitude of thankfulness comes from an active *appreciation* of what we have. We take time to reflect upon the many blessings that we enjoy acknowledging that some people in our own country as well as in the wider world do not have access to basic necessities such as clean air and space and time to play, education, adequate health care, communication technology or even a healthy diet. We regard as a moral imperative the need to work for a more just world out of an attitude of thankfulness for all we have.

**Social** As a community, we recognise the Christian belief that each person is made in God's image and reflects his glory. We are thankful for the uniqueness of every individual member of our school and the gifts that we all bring and share to enrich our corporate life.

**Cultural** As a Church in Wales school, acknowledging the Christian belief that creation is a gift from God, we foster an attitude of thankfulness and respect for nature, aware of its fragility and the impact of human activity on the environment. In all that we do, we try to create a culture of making informed, ethical choices in order to minimise any negative impact on the environment. We also work with other organisations to improve the environment for the future generations.

## RESPECT

Mark 10.14: *Let the children come to me (Mark 10. 14)*

Matthew 10.29: *Are not two sparrows sold for a penny? Yet not one of them will fall to the ground outside your Father's care.*

**Spiritual** Jesus valued every person equally regardless of status, gender or wealth. He showed a particular bias to those who were poor, in need or at the margins of society at that time.

At our school we explore the Christian teaching that every child and adult is made in God's image and is uniquely precious and worthy of respect and kindness.

**Moral** Following Jesus' teaching and attitude towards children, our school values every child equally and is proactive about ensuring that no individual is disadvantaged or treated differently due to their social background, gender, sexual orientation or cultural or religious background. We equip children with the skills to recognise prejudice in the media or in the political process. We encourage all within our community to learn about and engage with our nation's democratic processes both locally and nationally to help to support, protect and sustain for the future the respect due to every citizen.

**Social** As a community whose life is founded upon Christian values, we do not merely *tolerate* difference and diversity, we actively *celebrate* the uniqueness of all individuals. Whilst it may not always be possible to respect the opinions of every member (e.g. if they are sexist, homophobic or racist) we do respect the individual and their right to hold views that are different from our own.

**Cultural** As a Church in Wales school, we strive to create a culture that is characterised by openness, empathy and respect. We try to foster humility and thankfulness in our relationships with one another and the natural world. We continually strive to improve our understanding of different faiths and cultural diversity, celebrating the richness of experience and beliefs represented in British society.

## FORGIVENESS

1 John 1.9: *But if we confess our sins to God, he can always be trusted to forgive us and take our sins away.*

Mark 11.25: *If you hold anything against anyone, forgive them, so that your Father in heaven may forgive you.*

**Spiritual** Jesus came into the world to show us how much we are loved by God; by taking the sins of the whole world upon himself on the cross Jesus made forgiveness and a personal relationship with God possible. We strive to offer every member of our school community a life-giving encounter with the person of Jesus Christ.

**Moral** Following Jesus' example, we always offer forgiveness and a fresh start to children and adults who have made mistakes. We teach that an individual's behaviour can have a positive or negative impact on others and that this consideration must be paramount in deciding whether behaviour is appropriate. When sanctions are deemed necessary because behaviour falls short of expectations, we endeavour to demonstrate justice with compassion.

**Social** As a community whose life is founded upon Christian values we recognise that forgiveness, offered and received, will be at the heart of all our relationships. We teach about how we can *show* we are sorry in practical ways and equip individuals with strategies to prevent them from repeating mistakes in the future. We believe that learning from the past and not holding grudges will help to develop character by making us more resilient.

**Cultural** As a Church in Wales school, our behaviour policy is informed throughout by our Christian values. We try not to make assumptions about people or situations before knowing all the facts and circumstances. Decisions about sanctions are made carefully and after consultation. We teach children about the justice system in modern Britain and the emphasis on principles such as the presumption of innocence until proven guilty and the concept of restorative justice.

## SERVICE

Matthew 20.26: *The Son of Man did not come to be served but to serve and give his life as a ransom for many.*

John 13.12-15: *After Jesus had washed his disciples' feet ... he said: "Do you understand what I have done? ..... And if your Lord and teacher has washed your feet, you should do the same for each other."*

**Spiritual** Jesus' gave us an example of servant leadership at the Last Supper when he took a towel and washed his disciples' feet, a job usually carried out by a servant; he then told his disciples to go and do likewise. As those values are rooted in the example and teaching of Jesus, we are inspired by this act of love for his friends.

**Moral** Following Jesus' example, we value a model of servant leadership in our school. We encourage children to seek the common good in all that they do, striving to put the needs of others before our own.

**Social** As a community, we believe that our gifts and talents are to be used in ways that will improve the lives of others. We provide opportunities in school for serving as monitors, peer mediators and to stand as elected members of the school council. We help children to develop skills that will allow them to participate fully and contribute positively to the social and cultural life of modern Britain.

**Cultural** As a Church in Wales school we create a culture in which serving one another and the wider community is celebrated and seen as an important mark of character development. We regularly invite to our school others who are making a difference to society through their service and charitable works, to inform and inspire us and to present positive role models for us to follow.
