Thursday 29th September 2016

URGENT - Please read on!

Dear Parent(s)/Guardian(s)

Last night was the Annual General Meeting for the Friends of the School Committee. Unfortunately, there were only a small number of representatives. I realise that you are all busy people but I really need your attention and interest. Below is a message from the previous Friends Committee:

Friends are in a crisis - we need your help!

Thank you to those who attended last night's Friends AGM, we, the previous committee have now retired and unfortunately a new committee was not fully elected due to the very disappointing response; not one single nomination for the main committee! Without a Friends committee, the school will not be able to hold events, will not have the extra income and the children will ultimately suffer.

Whilst a level of interest was shared, we still need names to fill the roles and therefore Mr Griffiths will be holding a meeting on Friday at 2.30pm in the School Hall to try and save the Friends for the benefit of all children. If you are at school a little early, please come.

The retiring committee will always be on hand to help, guide, encourage and provide advice - we, more than anyone, want this to succeed as we recognise the vital role Friends plays in school life.

Regards
The retired Friends of the School Committee

First of all, a thank you to those parents who stepped into a role last night to try and save such an important committee. However, the committee is still not complete and cannot move forward until we have more support.

I will be holding a meeting in the school hall at 2.30pm tomorrow! Please come along tomorrow to show your support. Without a full committee, many school events will not be able to take place and I really do not want the children to miss out!

Yours sincerely

Mr Griffiths
